Dear Mr. Kron:

I have been calling you since end of July but I can never get through because there is no operator and the Answering Service asks to Put the Extension number by going through the company directory by name. As soon as I dial first letter (i.e., "K"), the machine responds, "this session is over". I have sent you another fax in regard to another application, but that fax was returned, "the fax can not be delivered". Please respond to this FAX. Thank you.
